- Morning tour of Spice Plantation
- Drive to Kumarakom – 4 hours

After breakfast enjoy a visit to Spice Plantation.

Sprawling tea estates cover much of the landscape, but cardamom, rubber, vanilla and coffee plantations are also aplenty. Perhaps that explains the never-ending cups of green cardamom-flavoured tea proffered at any time of the day. Walk amidst the palatte displaying variant shades of green, neatly arranged into terraced farms, the symmetry broken only by the sudden appearance of a gurgling stream. A lazy mist curls through the hills tuning life into a dreamy rhythm, as you find yourself renouncing to this sensual overflow. It is believed that the spice trade dates back three thousand years in Kerala. As for the many spices that find their home here, Pepper still remains the king. Nevertheless, the slanting slopes also caress a variety of cinnamon, clove, nutmeg, ginger, turmeric and curry leaves.

Later check out from the hotel and drive to Kumarakom. Upon arrival check in at your hotel.

Kumarakom is a cluster of little islands on the Vembanad Lake, and this small water world is part of the Kuttanad region. The bird sanctuary here, which is spread across 14 acres, is a favorite haunt of migratory birds and an ornithologist's paradise. Egrets, darters, herons, teal, waterfowl, cuckoo, wild duck and migratory birds like the Siberian stork that live there in flocks are a fascination for visitors. The best way to watch the birds of the Kumarakom sanctuary is a boat trip round the islands.

An enchanting backwater destination, Kumarakom offers visitors many other leisure options. Boating and fishing facilities are available at Kumarakom. Holiday packages on the houseboats, traditional Kettuvalloms, are an out-of-this-world experience at Kumarakom. An unbelievably beautiful paradise of mangrove forests, emerald green paddy fields and coconut groves interspersed with enchanting waterways and canals adorned with white lilies - this is Kumarakom.
